

Recommended schedule for Shorebird Surveys - from the *Southeastern Coastal Plains – Caribbean Regional Shorebird Plan*

(see <http://shorebirdplan.fws.gov/RegionalShorebird/RegionalPlans.htm> for a the entire plan)

Each cooperator conducting shorebird surveys, should do so on approximately 10-day intervals on or about the following dates, to allow for intra regional comparisons of shorebird movements:

<u>Northbound (Spring)</u>	<u>Southbound (Autumn)</u>	<u>Winter (optional)</u>
March 15	July 15	November 5
March 25	July 25	November 15
April 5	August 5	November 25
April 15	August 15	December 5
April 25	August 25	December 15
May 5	September 5	December 25
May 15	September 15	January 5
May 25	September 25	January 15
	October 5	January 25
	October 15	February 5
	October 25	February 15
		February 25
		March 5

Try to do your surveys on the recommended dates, if that is not possible get as close to the recommended date as possible (try your best not to be more than +/- 2 days from the recommended dates).
